

Document title: Amish Studies References for the Subject *Debates in Amish & Plain Anabaptist Studies*.

Document source: <http://amishstudies.org/>

About this document: APASA makes this list available to aid researchers. This list includes most or all peer reviewed research references (e.g. journal articles, books, and book chapters) APASA is aware of that address a particular subject area. The references are sourced from the bibliography list of Anderson (2017),¹ with additions.

Updates: This document is updated periodically. If you would like to help build the list by suggesting additional references, submit your recommendations through the APASA website.

Terms of usage: This list is copyright APASA. It is intended for individual research purposes and may be freely copied if in its entirety and unaltered. This document is subject to copyright; the original copy and any derivative (such as a photo of the page) may not be posted on any website or altered in any way.

Last update: August 2022

Citing this resource: If this document helped you locate relevant sources for your research, you may reference it with this, or similar, text:
